7:25 - 7:40 Budget

- Financial Status
- Budget for 2024/2025: Clare reviewed the budget spreadsheet
-Balance of about \$25000 to start the year in main account, about \$8600 in our legacy account

Conversations: Amber mentioned about applying for Love my Hood grant for a street mural, but need confirmation that Patricia street construction is complete [Will probably wait for now until we know the street construction is complete]

From Nancy: Nutrition for Learning - budget cut by 75%

- If you know of any business' that might donate, Jamie has prepared a letter that you can use
- Business' or individuals can donate to [Nutrition for Learning](#) - JFC specific

YOUR INFORMATION

7:40 - 8:00 Fundraising

- Chocolate
- Others
 - Pizza Night
 - Poinsettias
 - Krispy Kreme
 - [Fundraising Ideas \(spreadsheet\)](#)
- Can we start some passive fundraisers? Ex. Mabel's Labels
- Gino's pizza fundraiser was an easy fundraiser with minimal commitment - might consider doing it twice this year

Community Closet - November 20, 2024

- Parents can donate books and winter clothing for swap
- Ideally, if donations could wait closer to the book swap time because we don't have much room to store them
- Could we combine a Krispy Kreme fundraiser with it? [Sell individual donuts potentially] OR buy COSTCO cookies etc. and sell
 - Amber would look into if we can get the Krispy Kreme for November 20, otherwise we may do it another time (about \$4000 profit).
- Would need someone to look at the books and see if we need more books - Sarah went to Talize last year to top up the offerings of books

Note from Leah: the board wants large sums of money to be collected on School Day rather than cash - will affect chocolate fundraising the most. Fundraisers that raise a few hundred dollars could be cash, but above that needs to be on School Day

8:00 - 8:15 Schoolyard Improvement Committee

- Goals, timeline, next meeting(s)

8:15 - 8:30 Principal's Report/ What's on your mind?

- Photo Day is October 28
- Moved back to whole school outside Nutrition Break - students can only go on certain play structures based on grade, due to safety rating and so many students outside at once
- Kindergarten play area - could add in stumps, logs etc., and hoping to source some natural play things
- Sensory Room-there needs to be an Occupational Therapist referral to access that space since last year it was very in demand
- Luckily the school does not have to re-organize classes this year!
